

AHEAD Completes Acquisition of Link Solutions Group, Solidifying its Market Leadership Position in the Midwest

AHEAD has completed its acquisition of Link Solutions Group. The initial agreement to acquire was announced on May 14, 2019, and the transaction was closed on July 3. The combined entities will enhance the digital transformation efforts of enterprises across Michigan, Ohio, and Indiana.

“The acquisition of Link represents a major milestone for AHEAD and the next phase of our growth strategy” said Daniel Adamany, founder and CEO of AHEAD. “Link’s track record of growth and commitment to customer success align perfectly with our own culture. Together we’ll deepen client relationships as well as extend our reach into tech hubs like Indianapolis, Cleveland and Columbus.”

With the acquisition complete, former Link Solutions Group president, Simon Babcock, now oversees AHEAD revenue-generating operations in Ohio, Indiana and Michigan, while, former co-founder and CEO, Clint Babcock, is focused on strengthening AHEAD’s strategic partnerships in those same territories.

“We’re very excited to officially be part of the AHEAD family,” said Simon Babcock. “There’s so much opportunity to help clients across the Midwest with their digital transformation efforts, our combined scale and expertise in areas like cloud, security, and service management will only strengthen the value we bring to our customers.”

AHEAD builds platforms for digital businesses. By weaving together advances in cloud, automation, operations, security, and software development, we help industry leaders like United Airlines, Ecolab, and The Ohio State University deliver on the promise of digital transformation.

AHEAD is headquartered in Chicago with employees and customers across the US. For more information, visit www.thinkahead.com.
